Dear Mr. Reid:

The Idaho Department of Water Resources has received your protest against application 74109 in the name of Boyd C Smith Trust. Due to the fact that we did not receive it until September 25, 2007, the protest date was September 17, 2007. so we are unable to except it as a valid protest. No one else protested this transfer, so we can not even accept it as a Petition to Intervene.

The Department of Water Resources' Water Appropriation Rules and Regulations states: 4,3,1,2. Protests against the approval of an application for permit or against a permit being reprocessed will only be considered if received by the department after receipt of the application by the department and prior to the expiration of the protest period announced in the advertisement.

At this point however, we will keep a copy in the file.

If you have any questions, please feel free to contact us.

Sincerely,

Dave Carlson
Water Resources Supervisor
