RE: Change in Ownership of Water Right Permit No. 63-10557

Dear Water Right Holder(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. A copy of this form is enclosed.

Because the water right listed above is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is a \$25 filing fee required.

In addition, the ownership change is currently being processed for the other water right numbers listed on the change of ownership form. You will be notified when the ownership change has been completed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.

Sincerely,
