RE: App For Transfer 73663

Dear Mr. Carter;

Last month, Joseph Nelson filed the above-referenced application to change the ownership of the subject water right, and to make certain other changes to it. As you own one of the homes covered by the water right, you are included as a co-applicant. Mr. Nelson was supposed to inform you of this so that you could come in to our office to sign a signature page before one of our notaries. You have not done so, however, so I am writing to request your cooperation in this matter. Please sign the enclosed page before a notary before returning it to this office for processing; if you are married, your wife needs to sign also. Also, we need a copy of the deed conveying this property to you. Please comply by August 23 so that processing of this application can continue. If you need more time, it can be granted for sufficient cause. If you have questions, feel free to contact me.

Regards,

James E. Stanton
Sr. Water Resource Agent
