RE: Notice of Change of Water Right Ownership No. 77-7376

Dear Property Owners:

Enclosed is your original Notice of Change of Water Right Ownership form that was submitted to our office on July 23, 2007. However, we cannot continue to process the ownership change without the appropriate filing fee and proof of ownership. As we discussed on that date, it was indicated to us that the required information would be submitted within the next few weeks. To date, we have not received any additional information.

The filing fee for the above referenced water right license is \$25. Sufficient proof of ownership can be a copy of a Warranty Deed(s), Contract of Sale, Title Policy or other legal documentation indicating your ownership of the property; which includes the **legal description of the property by ¼ ¼ , Section, Township and Range.**

In addition, you had also indicated your ownership of water right numbers 77-14235, 77-14236, 77-14237 and 77-14238. Because these water rights are still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is also a \$25 filing fee required for each of these water rights.

Please submit the requested information with 30 days of receipt of this letter. Thank you for your patience and cooperation. Feel free to contact our office if you have any questions concerning this letter.

Sincerely,

A handwritten signature in black ink that reads "Denise Buffington". The signature is fluid and cursive, with a large, stylized 'D' and 'B'.
