RE: Change of Ownership for Water Right 36-2205, 36-2452B, 36-2456, 36-2452A,
36-2642, 36-7788A, 36-7788B

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

Water right no: 36-7882A is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is a \$25 filing fee required. We only require the completed assignment form and filing fee to process the change. The filing fee paid for the notice of change in ownership can be applied toward this. Therefore, we did not process the above water right.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Brian Cox
