RE: Change in Ownership Water Right No. 37-2667

Dear Double M Farms:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

A contract of sale was received with your application. Without a deed showing ownership, we can add Double M Farms to the water right, but must leave the original owner (James L. Meservy) on as well. If you have received the final deed that shows ownership by Double M Farms, please forward a recorded and notarized copy to our office and we will remove the original owner's name.

If you have not yet received a deed showing your ownership of the property/water right, there are a couple of options for removing James L. Meservy's name. As he is the only person on the water right, an ownership change form can be sent in by another person on the deed or a beneficiary of his estate. Or, a security interest form may be completed and sent to us by the person or institution holding the note. I have enclosed Ownership Change and Notice of Security Interest forms for your use. Both of these options require a \$25 processing fee.

Once Mr. Meservy's name has been replaced or a deed in the name of Double M Farms is received, we can finish processing the ownership change. We will hold any action on your notice for 30 days pending receipt of the necessary information. If we do not receive after that time, we will return your notice and all attachments unprocessed.

Please feel free to contact me at 208-287-4953 or dayna.ball@idwr.idaho.gov if you have any questions regarding this matter.

Sincerely,

Dayna Ball, Technical Reviewer
