

MEMORANDUM

Date: August 04, 2007
To: Water Right File 15-7288
From: SCOX
Re: POU Comparison

After the POU Comparison - 15-4185 for 30 acres (groundwater), 15-2021 for 24 acres (groundwater), 15-2010 for 40 acres (Malad River) in the NENE, also, there are water from Samaria Water.

- To assess hydrologic effect answer following questions.
 - Has there been continuous use?
 - What is status of flow wells?
 - How deep does he think the new needs to be? ^{look at well to the north.}
 - What is the status of the statutory claim?
- Note: Need verification of priority for claim.
- File application for transfer, include both the claim & license.
