Re: Permit Review

WD-none

No protests

Overlaps with 77-7161, which included domestic, fire and power uses. 77-4021 also overlaps but has become disallowed in the SRBA 7/2007, 77-10054 may also overlap, this is for domestic and stockwater and is pertinent to HES 707. Will need verification at field exam.

Special use permit acquired for POD use.

Wild and Scenic conditions applied and fish screening requirements.

Applicant recently had permit 77-7161 approved, so same documentation from that filed used to satisfy the requirements for this file.

Recommend for approval as suggested by the region.
