**RE: LEASE OF WATER RIGHT NO(S). 63-31470 AND 63-31479 TO THE
WATER SUPPLY BANK. IRS FORM W-9 REQUEST.**

Dear Lessor:

The water right referenced above is currently leased to the Water Supply Bank ("bank") under the name(s) shown above. Enclosed is a copy of the Internal Revenue Service Request for Taxpayer Identification and Certification, Form W-9. The department is required to file an information return with the Internal Revenue Service ("IRS") for all payments issued for water rented from the bank. Payments for the rental of a water right or a part thereof cannot be issued to the lessor unless the department has received a completed IRS W-9 form. Please complete the W-9 and return to my attention.

Additionally, documentation of authority to receive payment must be submitted if the name provided on the form W-9 does not match the name of the lessor. A state form has been included for you to complete if there is a change in information associated with this water right. The address associated with the water right leased to the bank will be updated in the department database to the address provided on the form W-9 unless otherwise requested by the lessor.

Please complete these forms and return to me for processing, along with any additional documentation. If you no longer have an interest in the water right, please contact me at 287-4954.

Sincerely,

Diana L. Ball
Water Allocation Bureau
