RE: Change in Ownership of Water Right 21-7454

Dear Claymore Management Corp:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Filing Fee** of \$25 per water right or \$100 for changes resulting from division of a water right.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Also, during our review of the warranty deed you provided, a discrepancy in the legal description and the land covered by the water right was found. Water Right #21-7454 includes the South 1/2 of the SE 1/4 of T15N, R42E, Section 24. This land is covered by the deed. The water right also includes the entire NE 1/4 of the NE 1/4 of T15N, R42E, Section 25. However, the deed only describes a 330 ft by 330 ft square in the NE corner of Section 25.

X **Documentation** of ownership of the entire area covered by the water right is needed. Or, if you own only a portion of the land described in the water right, it will be necessary to split the water right to reflect the portion that you own. The fee for splitting a water right is \$100 per right.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary fees and information. If we do not receive the necessary fees and information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department at 208-287-4800 if you have any questions.

Sincerely,

Dayna M. Ball
