Total Acres: 261

Permit holder asserts that no one will be injured by such change and that such change will be made at permit holder's own risk. Signed this 12TH day of Sept., 2007.

(Signature)

I do not agree with this acreage. Approximately 8 more acres were irrigated under this liscence, but no crop was ever grown. I intended to grow crops on this 8 acres but we changed irrigation systems so it never happened.
