CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **August 1, 2008**.
2. Subject to all prior water rights.
3. Water stored under this right is subject to fluctuations of the water table caused by changes in the flow of local streams and by diversions under prior ground water rights. This right does not guarantee the maintenance of any particular ground water level.
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 72A.
