Re: Proof Due Notice for 72-7573 (Thompson Creek Mining Company)
MTBR&F File No. 189976.5

Dear Ms. Gibson:

I am writing to inform you that our offices are in receipt of your letter of July 31, 2007 (enclosed), indicating that proof of beneficial use for the above-referenced water permit is due with the Department by Monday, October 1, 2007. By copy of this letter, I am providing your letter and the enclosed forms and instructions to Scott King of SPF Water Engineering, LLC. Mr. King has performed a beneficial use field exam for 72-7573 and is in the process of preparing his report. Accordingly, I anticipate the necessary proof will be timely submitted to the Department.

Please do not hesitate to contact me with any questions or concerns. Thank you.

Very truly yours,

Dylan B. Lawrence
