Ms. Gibson:

This past week I visited the IDWR Western Region office to start the process to apply for additional water rights on a property that my wife and I have recently purchased. While working with your agent, Cynthia Bridge Clark, we decided to review our existing water rights on the properties we own that are located next to the new ranch. During this review it came to my attention that Water Permit 65-22630 had recently lapsed, without our notification. On further review it appears your data base has updated our water right information with a 7 year old address. My wife (Amy) and I split our time between Idaho at the above address during the spring, summer and early fall and California in the late fall and winter. Our current California address is as follows:

Randy and Amy Heffner
975 Old Farm Lane
Aptos, CA 95003

Please find with this letter a change of address form for the following Water Right numbers: 65-22630, 65-12389, 65-12366, 65-3803B, 65-7833 and 65-3800. Please let me know if there are any other water rights in my name with an obsolete address listed as: 749 Rustic Lane, Mt., View, CA 94040 and we will submit the paperwork to get the proper, updated address on your systems.

With respect to the lapsed Water Right Number 65-22630, because your information systems updated our water rights information with an obsolete address we were never notified that this water right was due to lapse. Ms. Clark pulled up a copy of your lapse notice, dated July 9, 2007. (Please find a copy of that letter enclosed.) Because this letter and Proof of Beneficial Use form is less than 60 days from that date I am hopeful it can be reinstated with a priority date of August 3, 2001. Please find enclosed with this letter a completed Proof of Beneficial Use form for Water Right Number 65-22630 along with a check for \$100.00. We have completed the irrigation system enhancements for this water right and await IDWR inspection.

If you have any questions or comments you may contact me at the above address or by phone at (208) 793-2898. Thank you for your help on this important matter.

Sincerely,

Randy R Heffner
