Re: Lapsed Permit No. 15-7229, in the name of Andrew Bybee

Dear Mr. Bybee:

Enclosed is the original Request for Extension of Time filed with the department on August 30, 2007. I cannot accept this request because the name of the permit holder and the signature does not match the application or the permit. This permit is in the name of Andrew Bybee and even though Andrew and Chad are one and the same, this request does not match the name the permit was issued in and is unacceptable by the Department's standards.

I have enclosed a new blank form for you to complete and return to me. I will hold this matter for 15-days from the date of this letter to provide you time to complete a new form and file it with me. If I do not have a response within the 15-day deadline this permit will continue to be lapsed and be of no force nor effect. I have enclosed a postage paid return envelope for your convenience.

If you have any questions, please contact me at 287-4942.

Sincerely,

A handwritten signature in black ink that reads "Deborah J. Gibson". The signature is written in a cursive style.
