FIELD EXAM NOTICE

RE: PERMIT NO. 95-08645

Dear Mr. Ban:

We are planning to conduct water right Field Examinations in the vicinity of the above-referenced permit during the period of August 3 - August 23, 2007. An examination is needed to verify water use in order to issue a water right license. It has come to our attention that an address change or a change in ownership may have occurred for the property where water use was to occur.

It is our understanding that water use under Permit 95-08645 is no longer occurring on the property owned by you located at 8737 North Huetter Road and that Joseph Wojciechowski is the prior owner of the property. It may be necessary to correct Idaho Department of Water Resources (IDWR) records if this is correct. Please contact me at your earliest convenience to clarify any address or ownership changes that may have occurred at the property for the above referenced permit number.

Please be advised that Section 42-248, Idaho Code, effective on July 1, 1996, requires you or the owner of this water right to maintain current ownership and address records on file with the Idaho Department of Water Resources. I have enclosed an Assignment of Permit form and a change of address form for your convenience. Forms should be mailed to the Northern Region office. Forms to file a change of ownership of a water right and/or a change in the address of a water right owner are also available from any IDWR office. These forms are also available from the Department's web site on the Internet at <http://www.idwr.idaho.gov/>.

I can be reached at (208) 762.2816 or via e-mail at Shaun.Maxey@idwr.idaho.gov if you have any questions.

Respectfully,

Shaun M. Maxey
Water Resources Agent
