Subject: Water Right Application for JMM Dry Creek, LLC

Dear Steve,

Enclosed on behalf of JMM Dry Creek, LLC is a water right application for permit. The permit proposes to appropriate water from proposed new points of diversion. The permit will be used for municipal purposes within a new subdivision named Dry Creek Ranch to be developed by JMM Dry Creek, LLC. The diversion volume will not exceed 7.84 cfs and 1764 afa in combination with water rights 63-7123, 63-4086B, 63-17454, 63-4023B, and 63-2535.

A check for \$410 is enclosed to cover the application fee.

Please contact me with any questions.

Sincerely,

Kristin Brastrup, E.I.T.
Associate Engineer
