Re: Application for Permit 02-10326

Dear Mr. Trulove:

In an additional review of the above referenced application for permit we found that the legal descriptions on the application form were not correct. Please be advised that when we reviewed the government lot plats of this area we found your property is located in Government Lot 1, rather than Government Lot 2, as shown on your original filing. Enclosed for your information is a copy of the government lot survey obtained from the BLM website. I apologize for this oversight and hope this is the last correction prior to approval. Please sign the enclosed application form on page 2 and return in the enclosed envelope.

If you have any questions regarding this matter please do not hesitate to contact me at 208-334-2190. Thank you for your attention to these matters.

Sincerely,

A handwritten signature in black ink that reads "Kay Walker". The signature is written in a cursive, flowing style with a large, prominent 'K' and 'W'.
