RE: **Water Right 25-7447**

Dear Interested Parties:

We have been advised that you may be the current owner of a portion or all of the water right property that has been referenced above. A copy of the water right database report is enclosed for your information and convenience.

Before we can modify our records to reflect your ownership of the property and the water rights referenced above, we need to have a Notice of Change in Water Right Ownership form completed and returned with the appropriate support data and filing fee. I have enclosed a copy of this form for your convenience.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. **Failure to report these changes could result in a \$100 late filing fee.** Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call the state office or your Regional office

Sincerely,

Christine Roberts
