**RE: APPLICATION TO LEASE ALL OR PART OF WATER RIGHT NO. 347167A
WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources ("department") has completed its review of the Application to Sell or Lease Water Right(s) to the Water Supply Bank ("bank"). The offered water right(s) is accepted into the bank in accordance with the attached Water Supply Bank Lease Acceptance.

The right(s) will automatically be released from the bank on **December 31, 2007**, unless the right(s) are released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right(s) from the bank, the lessor must submit a request in writing to the department prior to the release date.

Enclosed is a copy of the Internal Revenue Service Request for Taxpayer Identification and Certification, Form W-9. The department is required to file an information return with the Internal Revenue Service ("IRS") for all payments issued for water rented from the bank. Payments for the rental of a water right or a part thereof cannot be issued to the lessor unless the department has received a completed IRS W-9 form.

Additionally, documentation of authority to receive payment must be submitted if the name provided on the W-9 form does not match the name of the lessor. The address associated with the water right leased to the bank will be updated in the department database to the address provided on the W-9 form unless otherwise requested by the lessor.

Please review the conditions of acceptance listed on the enclosed Lease Acceptance. You may contact me at (208) 287-4954 if you have questions regarding this matter.

Sincerely,

Diana L. Ball
Water Allocation Bureau
