RE: Change in Ownership for Water Right Nos. 35-2269 35-2637 35-7063 35-12724
35-12725 & 35-12736

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the above mentioned water rights.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** Copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The warranty deed sent was a deed to Lynn William Kendell and Tamara Kendell for 57% ownership. There is no mention in this warranty deed of the other 43% you have included on your ownership change request for Kevin Johns and Tracy Johns. We need evidence showing that the Johns are co-owners of this property. The only thing we can do at this point is to show Lynn William Kendell and Tamara Kendell as co-owners with Wayne Kendell.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Darla Block
Technical Records Specialist
