NOTICE OF PROPOSED CHANGE TO WATER RIGHTS

Notice is hereby given that an Application for Transfer has been filed with the Idaho Department of Water Resources for changes to water rights within Gooding County. DOUBLE B DAIRY LLC, PO BOX 587; JEROME ID 83338 has filed Application No. 73629. The application proposes to dry up 16.6 irrigated acres and change the nature of use to commercial and stockwater for a dairy. The application also modifies the place of use for the three rights currently associated with the dairy to better identify the location of the facilities and corrects the legal description for the two points of diversion. The system is located approximately 4.1 miles south and 1.4 miles west of the center of Wendell. The acres to be dried up are in the same forty-acre tract as a portion of the current dairy and the "from and to" wells are located within the same old model grid cell. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit the website for the Department at <http://www.idwr.idaho.gov/apps/ExtSearch/WRFiling.asp>. Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before September 4, 2007. The protestant must also send a copy of the protest to the applicant. David R. Tuthill, JR., Director
