Dear IDW'R:

It has come to my attention that the domestic water right number 61-10290 has not been transferred to the present owner. The property was purchased by me in the name of my trust in 1993. Subsequently it was transferred to Pearson Farms and Ranch, LLC. I have enclosed paperwork which documents that chain of events. My previous address was 142 S. Hinwatha, Hailey, but I have recently moved to 117 Homestead Dr., Hailey.

Please let me know if you need any additional information.

Thank you.

Joyce W. Pearson
