RE: Water Right No. 36-2146

Dear Water Right Holder:

This letter is being written in response to the phone conversation we had this date. The Department of Water Resources has updated the ownership of this water right as of June 20, 2007 to show that 7 BS'S LLC is the current owner.

Please disregard the letter of August 13, 2007 which states we are returning the documents submitted. It appears that you supplied the additional information needed to the Southern Region's office and the State Office was not aware of that fact. I apologize for any confusion we may have caused you.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov. I have enclosed a copy of this form per your request.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing, Office Services Supervisor
Water Allocation Bureau
