Department of Water Resources
Water Right License

WATER RIGHT NO. 36-08561

- 4 The right holder shall make full beneficial use of water right 36-135B and all other surface water rights available to the right holder for irrigation of the lands authorized to be irrigated under this right. The right holder shall limit the diversion of ground water under the irrigation component of this domestic use to those times when the surface water supply is not available or the surface water supply is not reasonably sufficient to irrigate the place of use authorized under this right.
- 5 If the surface water right(s) appurtenant to the place of use is sold, transferred, leased or used on any other place of use, this right to divert ground water for irrigation purposes shall not be used without an approved transfer pursuant to Section 42-222, Idaho Code, or approval of the Department if a transfer is not required.
- 6 Rights 36-8561, 36-135A, and 36-134A when combined shall not exceed the irrigation of 36 acres

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.
