2 Apps - BS 61 Mt Home Gwma

① Permit - 61-12090 Filed 9/28/06

- Consultant
- 5.0 cfs municipal
- need info water availability, injury (add to gw deficit in gwma?), sustainability etc.

② XFER - 61-7208 Filed 2/8/07

- no consultant
- partial decree issued, can process once moves to top of backlog list
- 3/7/07 memo c "no consultant" - does this mean c 61-12090?
- 1.48 cfs dom/comm/irrig.
- move wtr from south end gwma to an end (more upgradient?) - injury etc. issues

BOTH - same wells, same plan

- how related (additive?)?

CONFIRM - consultant withdrawing from 61-12090?

- info c how Apps relate, can process independently or need process together? If latter, can hold until when can be processed?
