Re: Field Report Narrative

This right is based on a portion of the use verified by the field exam for 47-8185, covering the present irrigation on the land sold to Deisher since the exam was completed. This property is straight south of the two wells. All the irrigation use from this well is under a common system serving land under Rights 47-17236, 17237, 17238 and 17239. The proportional share of the original system, 0.02 cfs, is recommended for the Deisher property (Tax Lot RP09S15E183009A)
