SUBJECT: WELL DRILLING UPGRADE FEES

I have 3 wells that require a well upgrade fee for transfer processing. All three wells are splitting a portion of water right 61-11965. These three wells have already been drilled under a domestic well drilling permit and need to be upgraded to allow for this irrigation right.

Thank you

Dan

MEMORANDUM

TO: IDWR FISCAL DEPT. - ATTN: DEBBIE ALLEN

FROM: DANIEL A. NELSON - SENIOR AGENT

DATE: August 6, 2007

SUBJECT: RE-ALLOCATION OF FEES

I am working on a set of 9 transfers. Several of the new owners of those transfer mistakenly filed change of ownerships, which included various fees. Whereas the fees are no longer needed for the change of ownership, we would like to apply those fees to well upgrade fees required in the transfer. The total well upgrade fee is \$125.00, and the balance has already been paid, but we just need to get the receipts corrected. The ownership or name on the receipts will not change. Could you please make the following corrections:

Please change receipt W034698 for \$25.00 in the name of Reade, Jennifer
From - Ownership Changes/Security interests - TO - Well Drilling Permits

Please change receipt W034417 for \$25.00 in the name of Galbreath, Royp / Rita
From - Ownership Changes/Security interests - TO - Well Drilling Permits

Please change receipt C083726 for \$125.00 in the name of Frisbee, Fred and Christine
From - Ownership Changes/Security interests - TO - Well Drilling Permits

Thank you for your time and effort. If you have any questions please contact me at the Western Office of IDWR.

Sincerely,
