Hello Mike,

I haven't recieved a call or have I been contacted by Ms. Perez. It does look like I have recieved everything from everyone else, so we could finish everything up as far as they are concerned in a fairly short meeting on the 20th of this month. If you have any further questions please give me a call.

Thank you

Dan,
Good afternoon. You should have everyones paperwork and the last person will be Ms. Perez. She said she would call and come down to talk to you to finalize either today or Friday.

Has she contacted you yet?

I am reachable by cell phone if needed 888-621-9897

See you next Thursday.

Mike.
