RE: OK TO PROCESS TRANSFERS

Eisenman filed 9 xfers to split 61-11965.

This will add a well for each lot owner
for land being subdivided.

xfers filed 11/2005, delayed per FRBA work &
resulting backlog.

Applicant made repeated verbal requests &
processing.

No other BS 61 xfers apps pending that are
not already being worked on.

Given above, ok to process these 9 apps now.
