RE: Change of Ownership for Water Right No: 37-12924

Dear Water Right Holder:

We were not able to change the ownership for Water Right No. 37-12924 as the Snake River Basin Adjudication (SRBA) Court issued a partial decree describing the water right with a place of use different than your property as described in the documentation you submitted.

We believe that the partial decree has an error on the place of use. If you believe that the SRBA Court issued the partial decree with an error in the description of the place of use, you may be able pursue one of the following options with the Court.

- 1) Motion to set-aside – a motion filed with the SRBA Court, which if granted, would provide a process to correct the partial decree. You would need to provide justification for the correction.
- 2) Motion to file late claim – a motion filed with the SRBA Court, which if granted, would allow you to file a new claim for your existing water use. A late claim would be investigated for validity and accuracy by the Department.

Please contact Danni Smith of this office at 287-4910 if you have questions related to the SRBA. Ms. Smith can assist you with the SRBA Court's processes.

Please let us know within 30 days how you plan to proceed. If we do not hear from you within 30 days we will refund any fees submitted with your notice.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Brian Cox
