RE: Change in Ownership for Water Right No. 98-04116

Dear Interested Party:

The Department of Water Resources acknowledges receipt of the note written at the bottom of our letter dated June 4, 2007.

We received a notice of change in water right ownership from you on July 30, 2004 along with a copy of a Residential Purchase and Sale Agreement as evidence. A Sale Agreement is not sufficient documentation indicating that the property was conveyed to you. Please submit a Warranty Deed, Title Policy, or Contract of Sale that has been signed, notarized and recorded by the Boundary County Recorder. The document you submit as evidence must include the legal description of the property.

The Department cannot process the ownership change without proper documentation; we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Brian Cox
