**RE: APPLICATION TO LEASE ALL OR PART OF WATER RIGHT NO(S). 35-2251,  
35-2252B, 35-2651D, 35-7772, AND 35-7989 TO THE WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources ("department") has completed its review of the Application to Sell or Lease Water Rights to the Water Supply Bank ("bank") for the referenced water rights. The offered water rights are accepted into the bank in accordance with the attached Water Supply Bank Lease Acceptance - However, because the ownership records for these water rights show Allen R. AND Jaqueline Young, we must have both signatures on file for the Lease Acceptance to be valid. Please complete the enclosed signature form and return it to my attention as soon as possible. We currently have a potential renter for these water rights and would like to process the Rental Agreement promptly. If your water rights are rented, we will issue a state warrant to you for the rental fees between November 15 and December 31, 2007.

The referenced water rights will remain in the bank for an "indefinite" lease term unless released earlier by the Board or upon request by the lessor. To change the term of the lease or to release the water rights from the bank, the lessor must submit a request in writing to the department.

Enclosed is a copy of the Internal Revenue Service Request for Taxpayer Identification and Certification, Form W-9. The department is required to file an information return with the Internal Revenue Service ("IRS") for all payments issued for water rented from the bank. Payments for the rental of a water right or a part thereof cannot be issued to the lessor unless the department has received a completed IRS W-9 form.

Please review the conditions of acceptance listed on the Lease Acceptance, and feel free to contact me if you have questions regarding this matter at (208) 287-4954.

Sincerely,

Diana L. Ball  
Water Allocation Bureau
