RE: Change in Ownership For Water Right No. 85-11483

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

  X   **Notarized Signature(s)**

During our review of the documentation you submitted we found that the signatures on the warranty deed were not notarized. I have enclosed a copy of the warranty deed for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Darla Block at (208) 287-4945.

Sincerely,

A handwritten signature in black ink that reads "Darla Block". The signature is written in a cursive, flowing style.
