**RE: APPLICATION FOR TRANSFER OF WATER RIGHT 63-3016R WITHIN
STILLWELL ESTATES SUBDIVISION**

Dear Mr. Find:

Our office received an application for transfer on the above water right on 6/29/2005. This transfer was held pending the outcome of the claim for this water right filed in the Snake River Basin Adjudication (SRBA). The SRBA has issued a partial decree on this right, which allows processing to continue. I received the transfer and have completed my initial review of your proposal.

In order for this transfer to proceed, I sent the attached letter dated 6/11/2007 requesting a well upgrade fee. This letter was returned with the above change of address. If you would like to proceed with the transfer, you will need to provide us with proof that you are still the owner of the property, and you will need to submit the \$125.00 fee requested in my 6/11/2007 letter. If you no longer own the property, you can either assign this transfer to the new owners, or you can withdraw the transfer. I have enclosed a withdrawal form with this letter.

If you have any questions or concerns please contact me at the above address.

Respectfully,

Daniel A. Nelson
Sr. Water Right Agent
