RE: Change in Ownership of Water Right Nos. 25-14058, 25-14060, 25-14062, 25-14064, 25-14066 and Water Right Application for Permit No. 25-7620

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. After reviewing the documents submitted, we have made the following notes:

1. Regarding Water Right Nos. 25-14058, 25-14060, 25-14062 & 25-14064, additional information is required before we can process the change. We still need to see the warranty deed(s) which cover the NW $\frac{1}{4}$ NE $\frac{1}{4}$ (Lot 2) and the N $\frac{1}{2}$ NW $\frac{1}{4}$ (Lots 3 & 4) of T3N, R40E, Sec. 4; NE $\frac{1}{4}$ NW $\frac{1}{4}$ of Sec. 5 in T3N, R40E; S $\frac{1}{2}$ SW $\frac{1}{4}$ and the SW $\frac{1}{4}$ SE $\frac{1}{4}$ of T4N, R40E, Sec. 33. Please find enclosed copies of the water right reports which have the unaccounted for portions highlighted.
2. You have also requested a change in ownership for a Water Right No. 25-7602 which is still in the application for permit stage. An Assignment of Application for Permit is required. Please find enclosed the appropriate form to make the requested change. There is no fee for the assignment.
3. One of the Water Rights you have requested an ownership change for (25-14066) is still active in Adjudication. There is no fee required for ownership change requests made while there is an active claim in adjudication. I have forwarded a copy of your request to Adjudication for their review.
4. Regarding the request for change in ownership for WR # 25-2106, I see that there was a previous request for a change of ownership. It appears that this water right was split into two portions, one of which is 25-14062 and is also part of your request to change ownership.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

If you are able to provide the Warranty Deed(s) which cover the remainder of the water right as noted in Number 1 above, the Department may owe you a refund of \$75 (\$25 each 25-2106, 25-14066 & 25-7602 as mentioned in Numbers 2-4). The Department has received a total of \$175 from you. Should you need to request a split of the 4 water rights mentioned in Number 1, you would need to pay an additional \$225.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact me at 208-287-4952 if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Emalee Rushing".
