RE: Application for Transfer

Dear Applicant(s):

The Department of Water Resources has received your application for transfer. Preliminary review of the application indicates that it is incomplete and cannot be accepted for processing. We are returning your application to allow you to complete the necessary items. The required information is described below.

The Proof of Ownership for the Proposed Right was not provided correctly. In the NWSE and SWSE there are two plot of land that are on owned by your trust. Please see enclosed map. We need a deed that shows that your trust has ownership of these lands.

The Department will hold further processing of your application for 30 days to allow submittal of the required information. Additional time may be granted by the Department upon receipt of a written request and sufficient justification for an extension. After that time, if adequate information is not received, the Department will issue a preliminary order to reject or deny the application.

Please feel free to contact this office if you have any questions.

Sincerely,

Trent Galbraith
Sr. Water Right Agent

Enclosures: Transfer Application # 72758 and map of proposed place of use.
