NOTICE OF APPLICATIONS FOR PERMIT

The following applications have been filed to appropriate the public waters of the State of Idaho, Custer County. These applications propose the diversion and use of water from ground water or surface waters tributary to the Salmon Wild & Scenic River or directly from the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow.

***The water uses proposed in the following listed applications will benefit from the subordination provision because the diversion rate and acres will be applied to the subordination amounts specified in the decree for the Salmon Wild & Scenic River.
