RE: Water Right No. 63-26011

Dear Mr. & Mrs. Nienhouse:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

Thank you for responding to our first letter, unfortunately we still need proof of ownership for the above-mentioned water right.

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. Water Right 63-26011 shows the place of located in the NW1/4SW1/4, section 35, township 3 north, range 2 west. Please provide **Evidence of Water Right Ownership**: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the above-mentioned property and/or water right. I have enclosed a copy of the water right(s) for your reference

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter please call Kara Alder at 208-287-4944.

Sincerely,
