Dear Mr. Dreher,

RE: Water Rights ~~36-15501~~; 36-02551, 36-07694 and the 9-13-05 order.

My Father, Vernon Ravenscroft, died October 29, 2004. His will leaves me his ground water right and well. Your Department refuses to acknowledge this until after probate. Thus, at this time there is no legal entity authorized to act on this matter.

If possible, I would like to reserve the right to act after probate has been completed.

Sincerely,

Bryan Ravenscroft
