Re: Notice of Change in Water Right Ownership, Water Right No. 36-11068

The National Park Service hereby submits a "Notice of Change in Water Ownership," for Water Right 36-11068. The change is applied to 0.04 cubic feet per second of groundwater. The quantity of this right is not to exceed 13,000 gallons per day. The use is domestic. Because a Partial Decree has already been issued for this water right, the fee waiver is not applicable. Thus a filing fee of \$25.00 is required.

The following items are enclosed:

1. The required Form, completed and signed;
2. A \$25.00 check payable to the Idaho Department of Water Resources;
3. A copy of the Partial Decree for Water Right No. 36-11068; and
4. A copy of the Statutory Warranty Deed.

If you have any questions, please contact Paul Christensen of my staff at 970-225-3534 or paul_christensen@nps.gov.

Sincerely,

Charles W. Pettee
Chief, Water Rights Branch
