Change of Address

Dear Mr. Maldonado:

After we spoke on the phone earlier today, I did a little more checking on your water rights and found that the address we have on record for you is wrong. Before we can update your address in our records, we need your signature authorizing us to do so.

I am enclosing a completed Change in Address form. Please make sure your new mailing address is correct, sign by the pink "X" and return the form to me at the above address. I will then update your address in our records. My apologies for not noticing this when we spoke on the phone and please feel free to call me with any questions or if you need assistance.

Sincerely,

Trish Fawcett
Technical Records Specialist
