Re: Water Right Transfer Application(s): 70887 & 70890

Dear Mr. Price:

Attached are copies of one or more applications that may be of interest to you. Please review the application(s) and submit any comments you may have.

This office acknowledges receipt of your protest to the issuance of a proposed transfer of water rights, pursuant to the above referenced application(s). This protest was filed on transfer no. 70887, and was received by the Department on September 20, 2004. Because this protest is currently on file with the Department, you do not need to resubmit it to us. Please note the protest filed in 2004 was solely for transfer no. 70887.

In addition, please be aware that there is another transfer, no. 70890, also being advertised in conjunction with transfer no. 70887. Transfer no. 70890 does not currently have any active protests against it.

This office normally completes the processing of an application within a six-week period and is required to take final action shortly thereafter. However, if your agency desires to file a formal protest against the approval of any of these applications, your written protest along with the \$25.00 protest fee for each application protested, must be received in this office by August 20, 2007.

If you have any questions regarding these applications, please contact this office at 334-2190.

Sincerely,

Denise Buffington
Administrative Assistant
