RE: Change in Ownership Water Right No. 11-2023

Dear Lynn & Elvon Skinner:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

Deeds used to verify ownership must be signed, recorded, and notarized. A Title Insurance Policy may also be accepted as proof of ownership, however a Commitment For Title Insurance, as received with your application, can not be accepted as proof.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, your application and attachments will be returned unprocessed.

Please feel free to contact me at 208-287-4800 if you have any questions.

Sincerely,
