

MEMORANDUM

Date: July 16, 2007
To: Transfer 73707
From: dcarlson
Re: transfer evaluation

This transfer proposes to change the point of diversion on 7 Pahsimeroi River water rights to a down stream pod. The place of use for each right will also be combined together and changed for all rights. All rights will have the Pahsimeroi River as the source, which is what the recommended pods currently show.

recommendation for 73-87 doesnt have a pod on Mud Springs Creek.

Authority to File:

Applicant is the owner of record as far as the SRBA recommendations..

Water Right Validity:

These water rights were recommended in the SRBA in 2006. Forfeiture is not an issue.

Injury to Other Water Rights:

Water District 73. Watermaster will comment.

Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use. No additional water can be diverted at this new pod than what was diverted at the old point of diversion.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
