Re: Evaluation Comments

This transfer proposes to add a third well to the City of Weston Municipal system. The hatched area on the map has been verified by Tom Rackhow at Keller and Associates as the Municipal boundary.

Authority to File:

Applicant is the owner of record as far as the license. A temporary easment has been given by land owner to allow the city to drill a test well and if that test well works out then a permanent easment will be granted.

Water Right Validity:

This is a municipal right and has been used for city purposes. Forfeiture is not an issue.

Injury to Other Water Rights:

Inside the Bear River ground water measurement district.
Transfer will be advertised to determine any protests.

Enlargement of Use:

There is no evidence of enlargement of use.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issue identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
