RE: Change in Ownership of Water Rights 51-2042, 51-2068, 51-2069, 51-2070, 51-2072, 51-2075,
51-7313, 51-10175, 51-10176, 51-10177, 51-10302

Dear J.R. Simplot Company:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that all water rights, except 51-7313, are eligible for a change in ownership. Additional information is required before we can process the change. The information required is indicated below.

In the Bargain and Sale Deed you provided, we do not find reference to the following areas:

T16S R6E

Section 5, NW1/4 of the SW1/4

Section 6, NE1/4 of the NW 1/4, and the East 1/2 of the NE1/4 of the SE1/4

☒ **Documentation of ownership** of the entire area covered by *Water Right # 51-7313* is needed. If you own only a portion of the land described in the water right, it will be necessary to split the water right to reflect the portion that you own.

☒ **Filing Fee** - \$100 for changes resulting from division of a water right. The original \$25 fee received on March 8, 2007 will be applied toward the fee. A balance of \$75 is needed to complete the split.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary fees and information. If we do not receive the necessary fees and information within 30 days we will return your notice and all attachments and your notice will not be processed.

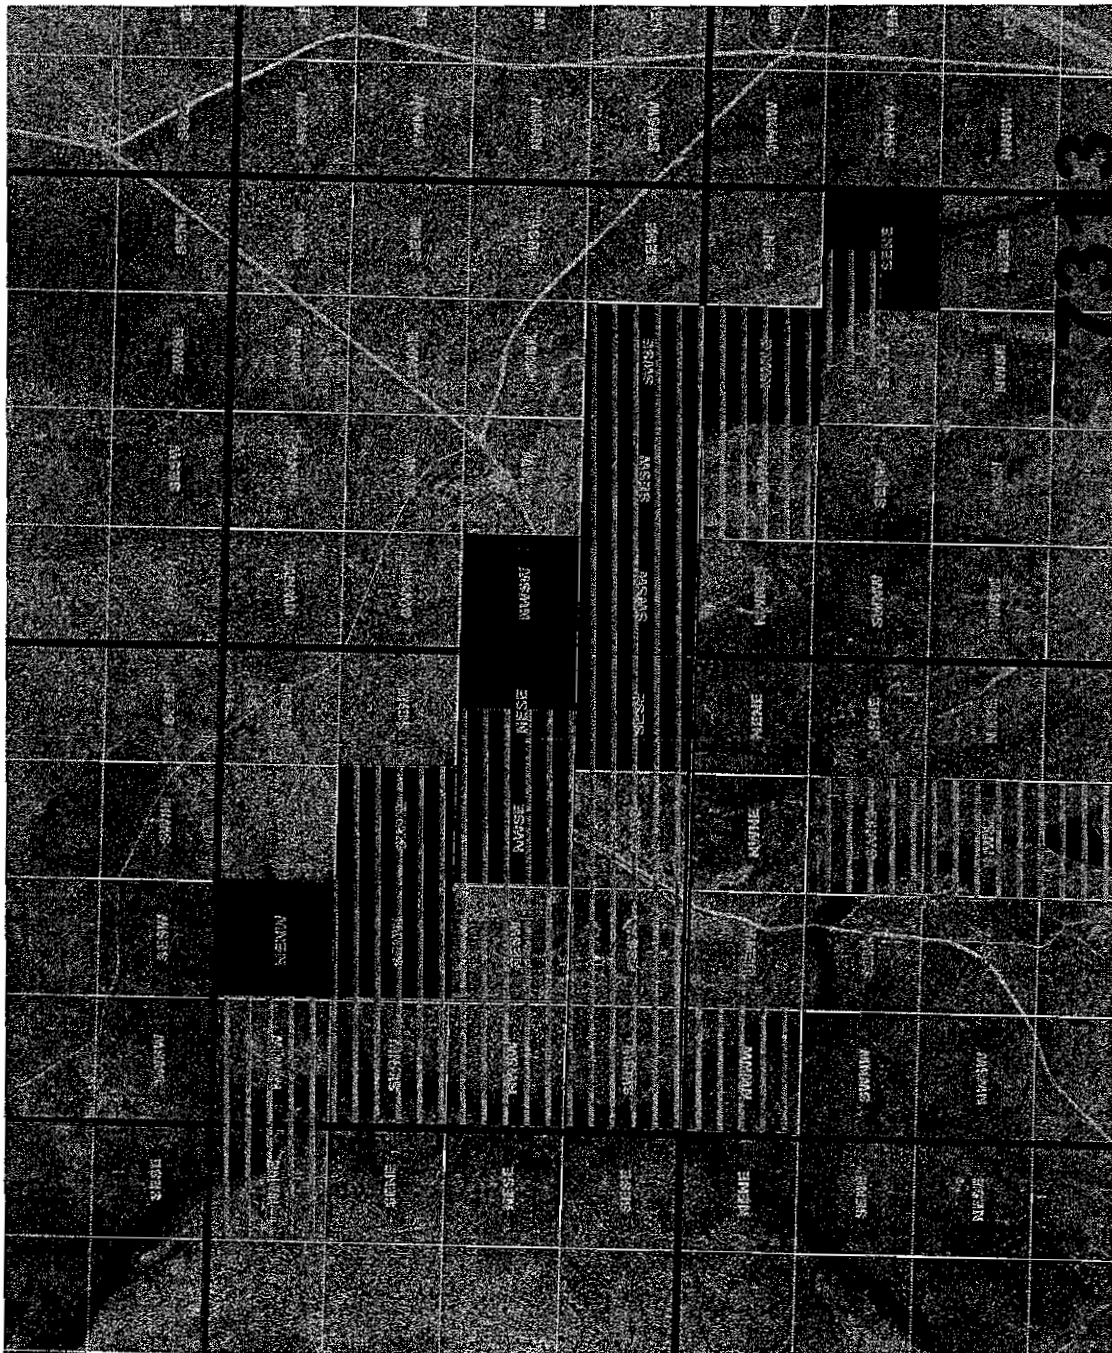

Please feel free to contact the Department if you have any questions.

Sincerely,

Dayna M. Ball, Technical Reviewer
