Re: Permit No. 21-13014

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm that the use being made meets the permitted beneficial use.

During my review of the proof you filed, you paid \$50.00 for the license examination fee. This right was permitted with a diversion rate of 0.04 cfs. The filing fee for ground water rights having 0.04 cfs or less, is waived. Therefore, I have requested that the State of Idaho issue you a check in the amount of \$50.00. This check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161. If you have any questions regarding the refund or the processing of this proof, please contact me at (208) 287-4942.

Sincerely,
