PROOF ACKNOWLEDGMENT LETTER

RE: Permit No. 63-31311

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use form ("proof") submitted for the above referenced permit together with a license examination fee in the amount of \$50.00. Enclosed is an order reinstating the permit and advancing the priority since proof was submitted after the proof due date. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

The license examination fee schedule indicates a fee is not required in connection with permits which use a ground water source **and** have a total rate of diversion of .04 or less, therefore a refund request of \$50.00 will be forwarded to our fiscal department.

Be advised that Section 42-248, Idaho Code, requires you or the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office or IDWR public web site at: www.idwr.idaho.gov

If you have any questions, please contact either the **Western** Regional Office of the department in Boise at (208) 334-2190, or Debbie Gibson at (208) 287-4942.

Sincerely,

Christine Roberts/Water Distribution
