PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NO. 11-7548

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use form ("proof") and the license examination fee for the above-referenced water right permit. Enclosed is an order that reinstates this permit, since proof and the license examination fee were submitted after the proof deadline. Please note that the priority date for this permit has been advanced to February 25, 2006, as provided in Section 42-218a(2), Idaho Code. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of the permit.

During my review of the proof you filed, I noticed that you paid \$50.00 for the license examination fee. This right was permitted with a diversion rate of 0.04 cfs. The filing fee for ground water rights having 0.02 cfs or less, is waived. Therefore, I have requested that the State of Idaho issue you a check in the amount of \$50.00. This check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code, requires you as the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office or from the department's website: www.idwr.idaho.gov

If you have any questions, please contact either the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161. If you have any questions about the refund, you may contact me at (208) 287-4942.

Sincerely,
